DE02.02 PUBLIC SCHOOL CONSTRUCTION  
(Statewide)

(A) Public School Construction. Provide funds to construct public school buildings and public school capital improvements in accordance with Sections 5-301 through 5-303 of the Education Article, provided that by June 1, 2000, the State Superintendent of Schools shall make a determination on whether there is sufficient progress in building renovation in the three schools under State reconstitution, including the electrical system upgrade and the wiring for voice, video, and data to allow Edison Schools, Inc., to be ready for students and staff by August 1, 2000. If sufficient progress has not been made, the State Superintendent of Schools, after submitting a report to the budget committees, is authorized to conduct emergency procurements consistent with Code of Maryland Regulations (COMAR) and/or through existing State contracts to complete the building renovations. Authorization is hereby given to transfer the appropriate amount of funds associated with the three schools under State reconstitution to the State Department of Education for the building renovation at the schools if necessary.

Further provided that the New Board of Baltimore City School
