

transferred shall be deemed as a loan to [such] THE special fund, and shall be repaid out of the proceeds of the assessments provided for [in] UNDER this [subheading] TITLE.

(b) Transfers from general funds. If a district is organized in any year too late for the levy of a special assessment in that year or in the next ensuing year, the Commissioners are [hereby] authorized to transfer funds out of the general fund of the County to the special fund of the district to be used for the payment of the expenses of [such] THE district until [such] A time [as] THAT special assessments receipts are available [therefor]. The Commissioners shall include in the levy of the special assessment for the district for the first fiscal year in which the assessment may be levied or in ensuing years, a sum sufficient to repay the County the amount so transferred to the district for the portion or portions of the preceding fiscal year or years for which no levy of assessment was made for that purpose. The amounts so transferred shall be repaid into the general fund of the County from the district fund out of the first available receipts from the assessment levied or as determined by the Commissioners.

[3-53.] 8-507. Same; deficiency.

If for any reason there shall be a deficiency in the funds derived from the annual assessments for any maintenance or improvement ordered pursuant to this ordinance, including all incidental expenses [thereof], the Commissioners may meet [such] THE deficiency by an appropriation out of the general fund or may advance [such] THE sums, to be repaid out of the proceeds of the annual assessment for the next or ensuing years, as deemed appropriate by the Commissioners.

[3-54.] 8-508. Same; unexpended balance.

Any unexpended balance remaining in the special fund for the maintenance or improvement after the repayment of the costs and expenses of the maintenance or improvement for which the assessment was levied shall be credited to the fund to be raised for the next ensuing period of maintenance for [such] THE district. Whenever the Commissioners do not order or reorder maintenance as authorized [in this subheading] UNDER THIS SUBTITLE any [such] unexpended balance may be retained in [such] THE fund to be used, until exhausted by their [said] designated employee, to defray the costs and expenses of maintaining and caring for the open spaces [benefiting] BENEFITTING the district for which the annual assessment has been levied.

SUBTITLE 6. AREA ADDED TO DISTRICT; WITHDRAWN FROM DISTRICT.

[3-55.] 8-601. Area added to district; procedure.

If, after the formation of a district, the addition of properties to be maintained and improved as open areas by [such] THE existing district is proposed, the Commissioners shall adopt a resolution declaring their intention that the cost of maintaining [such] THE additional open areas shall be borne by the existing district. It shall fix a time and place for a hearing on [such] THE resolution, at which hearing any and all persons having any objections to the things proposed to be done may
