SUBTITLE 5. OBSTRUCTIONS.

[15-12.] 14-501. Obstructions to systems.

All individuals, firms, or corporations having buildings, conduits, pipes, tracks, poles, or other structures or obstructions in, on, over, or through any public road, street, or way, which blocks or impedes the construction and establishment of the County's water, sewerage, or drainage systems, or other works, upon reasonable notice from the Board, shall promptly [so] shift, adjust, accommodate, or remove structures or obstructions as fully to meet the exigencies occasioning [such] action; provided, however, that the reasonable cost of [such] THE charges shall be borne by the County. Every public service corporation, company, or individual before it or they shall begin any excavation or construction in any street, road, way, or public highway shall file with the Board plans of [such] THE work and construction showing the location and depth in [such] THE street, road, way, or public highway of the proposed main, conduit, pole, pipe, or other structure, and [such] THE construction or work shall not [be begun] BEGIN until the plan is approved by the Board, nor shall any change be made in the approved plan or in the work or construction as shown by the plan, except on further approval of the Board. Whenever any main, conduit, pole, pipe, or other structure is installed without the filing of plans with the Board and the approval [thereof] by it, or when any change is made in the location of the main, conduit, pipe, pole, or other structure as shown upon the plans approved by the Board, or any approved change [therein], the Board, if and when such conduit, main, pipe, or pole, or other structure interferes with the construction of or operation of the water, sewerage or drainage system, or other works, may remove the conduit, main, pipe, pole, or other structures or change the location [thereof] at the cost and expense of the party so putting them in, or their heirs, assigns, or successors, and without any liability upon the part of the County for damage that might be done to the [same] CONDUIT, MAIN, PIPE, POLE, OR OTHER STRUCTURES by reason of the Board's operation in constructing or maintaining the system or works. Any violation of the provisions of this section is a misdemeanor punishable under [Section 15-24.] § 14-801 of this [subtitle] TITLE.

SUBTITLE 6. LOANS; BONDS.

[15-15.] 14-601. Loans for work on facilities.

(a) For the purpose of assisting in the engineering and the construction of needed water, sewerage and drainage systems, the Board may make general fund appropriations or borrow funds for this purpose, upon any terms and conditions as they deem right and proper.

(b) Any enterprise fund as that term is used in accounting, created for the purpose of complying with this title, shall reimburse the County's General Fund for any expense attributable to work performed by the County out of its General Fund. Each year, the Board may determine a reasonable amount, by estimate, to satisfy the
