

- (3) Find sponsors for assisted living programs;
- (4) Assist developers in formulating design concepts and meeting program needs;
- (5) When necessary and in accordance with available funds, provide subsidies for congregate meals, housekeeping, and personal services for assisted living programs and develop eligibility requirements in connection with these subsidies;
- (6) Adopt regulations governing eligibility requirements for subsidies;  
and
- (7) Review the compliance of assisted living programs with the regulations adopted by the Secretary of Health and Mental Hygiene for licensing these programs to operate in the State.

**Article - State Government**

9-1105.

The Office shall:

- (1) identify and evaluate the programs and services for individuals with disabilities in the State;
- (2) collect information to identify programs and services that individuals with disabilities need;
- (3) identify barriers to the delivery of adequate services and recommend procedures to remove the barriers;
- (4) develop an information and referral service for programs and services for individuals with disabilities;
- (5) foster coordination of and support for public and private agencies that provide programs and services to individuals with disabilities;
- (6) promote the designation of local or regional offices to coordinate services to individuals with disabilities;
- (7) monitor and encourage State government compliance with laws and policies affecting individuals with disabilities, and recommend changes on behalf of individuals with disabilities;
- (8) submit to the Governor and, subject to § 2-1246 of this article, to the members of the General Assembly an annual report that:
  - (i) gives the status of these programs and services;
  - (ii) makes recommendations for more effective delivery of the services; and
  - (iii) provides updated information on implementation by the Office of the federal Americans with Disabilities Act;
