

SECTION 2. AND BE IT FURTHER ENACTED, That, notwithstanding the provisions of Section 1 of this Act, the exemption from the motor vehicle excise tax under § 13-810(c)(10) of the Transportation Article as enacted under Section 1 of this Act does not apply until any Consolidated Transportation Bonds that were issued by the Department of Transportation before July 1, 2000 no longer remain outstanding and unpaid; provided, however, that in any fiscal year for which funds are appropriated by the General Assembly to pay the principal of and interest on the Department of Transportation's Consolidated Transportation Bonds due and payable in that fiscal year, the Motor Vehicle Administration may not collect the motor vehicle excise tax otherwise imposed on a vehicle described in § 13-810(c)(10) of the Transportation Article as enacted under Section 1 of this Act.

SECTION 2-3. AND BE IT FURTHER ENACTED, That this Act shall take effect ~~October 1, 2000~~ July 1, 2001 and shall be applicable to any vehicle transferred on or after ~~October 1, 2000~~ July 1, 2001.

May 18, 2000

The Honorable Thomas V. Mike Miller, Jr.  
President of the Senate  
State House  
Annapolis MD 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 247 – Emergency Medical Services – Public Safety Personnel – Immunizations.

This bill allows an Emergency Medical Technician – Paramedic (EMT-P) to administer hepatitis B and influenza immunizations and tuberculosis (TB) skin tests to public safety personnel within the jurisdiction of the EMT-P.

House Bill 1223, which was passed by the General Assembly and signed by me on April 25, 2000, accomplishes the same purpose. Therefore, it is not necessary for me to sign Senate Bill 247.

Sincerely,  
Parris N. Glendening  
Governor

**Senate Bill No. 247**

AN ACT concerning

**Emergency Medical Services – Public Safety Personnel – Immunizations**

FOR the purpose of authorizing emergency medical technician-paramedics to administer certain immunizations and tuberculosis skin testing in certain environments to public safety personnel within their jurisdiction under certain
