

technology expenditures for fiscal 1999 and 2000 subdivided by specific projects and subobject expenditure categories.

- (2) Projected fiscal 2001 through 2004 information technology expenditures subdivided by specific projects and subobject expenditure categories.
- (3) The information technology plan shall detail the Judiciary's actions for improving the circuit courts' ability to transmit data concerning court ordered civil protective and ex parte orders to other criminal justice system agencies. The plan shall also address remedies for improving the uniform accounts receivable records system for the circuit courts. ***The information technology plan shall detail the Judiciary's actions for improving the circuit and district courts' ability to transmit data concerning court ordered civil protection, ex parte orders, and warrants to other criminal justice system agencies. This portion of the plan shall be developed in consultation with the Department of Budget and Management Office of Information Technology, the Department of Public Safety and Correctional Services, and the Department of State Police. The plan shall also address remedies for improving the uniform accounts receivable records system for the circuit courts.***

Further provided that the Judiciary shall submit an Information Technology Project Request (ITPR) supporting the Judiciary's fiscal 2001 information technology expenditures by July 1, 2000.

Further provided that the Judiciary shall submit an Information Technology Project
