

(2) the gas company or electric company actually imposes on the owner, operator, or manager.

7-302.

(a) (1) By written request, a consumer may compel the Commission to inspect and test the consumer's electric meter or gas meter.

(2) The consumer is entitled to be present for the test.

(b) (1) The Commission shall set a percentage tolerance limit for the accuracy of an electric meter or gas meter.

(2) The Commission shall order a gas company or electric company to replace a meter at the company's expense if the meter is incorrect to the prejudice of the consumer by more than the percentage tolerance limit set by the Commission.

(c) (1) The Commission shall set a uniform reasonable fee for meter test services under this section.

(2) (i) If the test indicates that the meter is within the percentage tolerance limit set by the Commission under subsection (b)(1) of this section, the consumer shall pay the test fee.

(ii) If the test indicates that the meter is not within the percentage tolerance limit set by the Commission, the Commission shall refund the fee.

11-102.

(a) [This section does not limit the jurisdiction of the Commission over a public service company that provides liquefied petroleum gas service under franchises that existed on or before July 1, 1980.

(b) The Commission shall adopt and enforce safety standards for gas service installations at locations where service is provided to 10 or more customers or 10 or more separate residential dwelling units by pipes from a central liquefied petroleum gas storage tank.

[(c)] (B) (1) The owner of a facility at a location subject to subsection [(b)] (A) of this section or the owner of the liquefied petroleum gas furnished shall comply with the safety standards of service.

(2) Except as provided in paragraph (3) of this subsection, other sections of this article do not apply to an owner subject to this section.

(3) The Commission may apply Title 12, Subtitle 1 and §§ 2-117(a), 5-304, 7-301, 7-302, and 13-203 of this article to an owner subject to this section.

[(d)] (C) When service begins, a person who furnishes gas service by pipes from a central liquefied petroleum gas storage tank to 10 or more customers or 10 or more separate residential dwelling units shall notify the Commission in writing about:

(1) the location of each installation;
