COMMITTEE NOTE (COMMITTEE TO REVISE ARTICLE 27): The Committee questions the need for the existing sabotage offenses contained in Article 27, §§ 535 through 550, given various restrictions under federal law on sabotage or the prevention of hindering, delaying, or interfering with defense related activities.

The Committee recommends that Article 27, § 538 and § 539, which prohibit attempt and conspiracy of sabotage offenses, respectively, be repealed as unnecessary as the common law offenses of attempt and conspiracy to commit an offense provide penalties consistent with the commission of the offense.

The Committee recommends that the following provisions of Article 27 be transferred as follows: (1) Article 27, § 541 to Article 27, § 577, by expanding the law of trespass to public property; (2) Article 27, § 542 to § 2-210 of the Criminal Procedure Article, as a condition of warrantless arrest; and (3) Article 27, § 543 and § 544 to § 8-627 of the Transportation Article, as they relate to the restricted use of highways.
