

(f) "Controlled access highway" means a major highway with the same characteristics as an expressway, except that the conflict of cross streams of traffic is not eliminated necessarily at each intersection by grade separation structures.

(g) "County road" means any public highway:

(1) The title to which or the easement for the use of which, is vested in a public body or governmental agency; and

(2) That is not a State highway or located in Baltimore City.

(h) "Expressway" means a major highway of two or more traffic lanes in each direction that is designed to eliminate principal traffic hazards and has the following characteristics:

(1) A median divider separating opposing traffic lanes to eliminate head-on collisions and sideswiping;

(2) Grade separation structures to eliminate the conflict of cross streams of traffic at each intersection;

(3) Points of entrance and exit limited to predetermined locations;

(4) Vertical curves long enough to provide long sight distances; and

(5) Shoulders wide enough to permit vehicles to stop or park out of traffic lanes.

(i) "Highway" includes:

(1) Rights-of-way, roadway surfaces, roadway subgrades, shoulders, median dividers, drainage facilities and structures, related stormwater management facilities and structures, roadway cuts, roadway fills, guardrails, bridges, highway grade separation structures, railroad grade separations, tunnels, overpasses, underpasses, interchanges, entrance plazas, approaches, and other structures forming an integral part of a street, road, or highway, including bicycle and walking paths; and

(2) Any other property acquired for the construction, operation, or use of the highway.

(j) "Interstate highway" means a State highway that is part of the national interstate system in this State, as designated by the Administration and approved by the United States Secretary of Transportation under Title 23 of the United States Code.

(k) (1) "Maintenance" means the upkeep and repair by which a highway, building, equipment, and other property is kept in an ordinarily efficient operating condition.

(2) "Maintenance" does not include construction, reconstruction, or relocation.
