

22-221.

(d) Any vehicle may be equipped with lamps used for the purpose of warning the drivers of other vehicles of the presence of a vehicular traffic hazard requiring the exercise of unusual care in approaching, overtaking, or passing, and, when so equipped, may display the warning in addition to any other warning signals required by the Maryland Vehicle Law.

(e) The lamps used to display this warning to the front shall be mounted at the same level and as widely spaced laterally as practicable and shall display simultaneously flashing white or amber lights, or any shade of color between white and amber. The lamps used to display this warning to the rear shall be mounted at the same level and as widely spaced laterally as practicable and shall display simultaneously flashing amber or red lights, or any shade of color between amber and red.

(f) These warning lights shall be visible from a distance of not less than 1,500 feet under normal atmospheric conditions at night.

(g) Every motor vehicle that is registered in this State and that was manufactured or assembled after June 30, 1967, and designated as a 1968 or subsequent year model shall be equipped with these warning lamps by means of which the driver may cause both front and both rear turn signals to flash simultaneously as a vehicular traffic hazard warning.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect October 1, 2001.

Approved April 20, 2001.
