

(1) May decertify a voting system previously certified if the State Board determines that the system no longer merits certification; and

(2) Shall decertify a previously certified voting system if the voting system no longer meets one or more of the standards in § 9-102(c)(1)(i) through (iii) of this subtitle.

(b) The State Board shall determine the effective date and conditions of the decertification.

[(c) Decertification under this section does not apply to a county if its local board has acted in reliance upon the certification of the system involved and the decertification would have a significant and adverse impact, unless:

(1) The local board and the governing body of the county consent to the decertification; or

(2) The State Board determines that the system no longer meets the standards set forth in § 9-102(c)(1)(i) through (iii) of this subtitle.

(d) (1) Except as provided in paragraph (2) of this subsection, a voting system that is deemed certified under § 9-102(f) of this subtitle may not be decertified by the State Board.

(2) On January 1, 2002, the State Board shall decertify a mechanical lever voting machine.]
