

cases are excluded from the definition under subsection (b) of this section, yet the documents could cover criminal conduct warranting HIV testing.

(C) HEALTH OFFICER

"HEALTH OFFICER" HAS THE MEANING STATED IN § 1-101 OF THE HEALTH - GENERAL ARTICLE.

REVISOR'S NOTE: This subsection formerly was Art. 27, § 855(a)(8).

The only changes are in style.

(D) HIV

"HIV" MEANS ANY HUMAN IMMUNODEFICIENCY VIRUS THAT CAUSES ACQUIRED IMMUNE DEFICIENCY SYNDROME (AIDS).

REVISOR'S NOTE: This subsection formerly was Art. 27, § 855(a)(9).

No changes are made.

(E) PROHIBITED EXPOSURE.

(1) "PROHIBITED EXPOSURE" MEANS A CRIME OR DELINQUENT ACT THAT MAY HAVE CAUSED OR RESULTED IN EXPOSURE TO HIV.

(2) "PROHIBITED EXPOSURE" INCLUDES:

(I) CONTACT THAT OCCURS ON PENETRATION, HOWEVER SLIGHT, BETWEEN THE PENIS AND THE VULVA OR ANUS; AND

(II) CONTACT BETWEEN THE MOUTH AND THE PENIS, VULVA, OR ANUS.

REVISOR'S NOTE: This subsection is new language derived without substantive change from former Art. 27, § 855(a)(10).

The defined term "prohibited exposure" is substituted for the former defined term "offense" for clarity and to avoid the erroneous implication that a delinquent act is criminal activity.

The former reference to "[a]ny prohibited activity involving a sexual act" is deleted as unnecessary in light of the reference to "a crime or delinquent act that may have caused or resulted in exposure to HIV".

In paragraph (1) of this subsection, the former reference to a criminal offense or delinquent act "the commission of which" may have caused or resulted in exposure is deleted as unnecessary in light of the reference to "crime or delinquent act".

Also in paragraph (1) of this subsection, the phrase "exposure to HIV" is added for clarity.
