

~~(2) The terms of these members are staggered as required by the terms of the members serving on July 1, 1990.~~

~~(3) A member appointed to fill a vacancy in an unexpired term or to succeed a member who is holding over serves only for the remainder of the term.~~

~~(4) A member appointed to serve a term of less than 3 years for the purpose of implementing staggered terms[,] may be reappointed to serve a full 3-year term.~~

~~(e) The members of the Committee shall serve without compensation, but each member shall be reimbursed for expenses incurred while actually engaged in the performance of duties in accordance with the Standard State Travel Regulations as provided in the State budget.~~

~~(d) The Committee shall advise and assist the Archaeology Office on archaeological matters and shall review policies, plans, and rules and regulations regarding archaeological matters.~~

~~(e) After consultation with the Committee, the Secretary shall advise the Governor regarding the appointment of trustees qualified in the field of archaeology.~~  
~~3-427.~~

~~(A) A person may not excavate, appropriate, injure, or destroy any terrestrial archaeological site on land the State owns or controls without a permit from the Trust.~~

~~(B) A permit is not required of the Trust for any undertaking provided for by this section or [§ 5-626] § 3-428 of this subtitle.~~

~~3-428.~~

~~(A) The Trust may grant a permit for archaeological excavation of a terrestrial archaeological site on land the State owns or controls to [any] A person [or institution who or which] THAT in the Trust's judgment is qualified to conduct an excavation to gather objects and materials of historical or archaeological value or interest.~~

~~(B) (1) The Trust may adopt [and promulgate rules and] regulations for terrestrial archaeological excavation.~~

~~(2) The [rules and] regulations shall be designed to assure proper safeguarding and preservation of the objects and materials for the people of the State.~~

~~(C) Terrestrial archaeological excavation shall be conducted only for the benefit of reputable museums, institutions of higher education, or other recognized scientific or historical institutions or organizations, so as to increase knowledge and appreciation of archaeological objects and materials.~~
