In subsection (a)(4) of this section, the former references to a crime of violence "as defined under § 643B of this article [former Article 27]" are deleted as surplusage in light of the definition of crime of violence in § 1-101 of this article.

In subsection (a)(4)(i) of this section, the former reference to "the existence" of facts is deleted as unnecessary in light of the reference to "facts".

Subsection (b) of this section is revised as a restriction on the applicability of this section on victims to avoid confusion resulting from the fact that "victim" is already defined for this subtitle. See § 11-501(b) of this subtitle.

The Criminal Procedure Article Review Committee notes, for consideration by the General Assembly, that subsection (c) of this section is silent as to whether a witness who seeks notification of a defendant's release from confinement may use the victim's notification request form and, if so, who distributes the forms to witnesses. The General Assembly may wish to clarify this matter.
