

In the introductory language of subsection (a) of this section, the reference to a certification "of arrearage on restitution payments that the Central Collection Unit sends" is added for clarity.

In subsection (b) of this section, the former reference to the provision in a notice to a winner stating that the State Lottery Agency proposes to transfer the prize, or that part of it that is equal to the restitution arrearage, to the Central Collection Unit if no appeal is filed within 15 days is deleted as unnecessary in light of subsection (b)(5) of this section, which states that the State Lottery Agency will make the transfer if an appeal is not filed.

In subsection (e) of this section, as to the substitution of the phrase "carry out" for the former reference to "implement", *see* General Revisor's Note to article.
