

[(2)](3) If a retiree who retires under this Act is reemployed in a permanent, temporary, or contractual position with a participating employer, the retiree's retirement allowance shall be reduced by the amount that the sum of the retiree's annual compensation and the retiree's annual basic allowance at the time of retirement, including the incentive provided by this Act, exceeds the average final compensation used to compute the basic allowance;

[(3)](4) No more than 2% of the total number of employees retiring under this Act may be reemployed in a contractual or temporary position in any branch of State government;

[(4)](5) The Board of Public Works may not approve the reemployment in a temporary or contractual position of an employee who retires under this Act, if that reemployment would result in more than 2% of the retirees who retired under this Act being reemployed in a temporary or contractual position with the State; and

[(5)](6) The Department of Budget and Management shall review the applications for reemployment as contractual or temporary employees under this Act and shall advise the Board of Public Works if the reemployment of an individual will cause the 2% limit under paragraph [(3)](4) of this section of this Act to be exceeded.

SECTION 2-3. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 2001. Section 2 of this Act shall remain effective for a period of 3 years and, at the end of June 30, 2004, with no further action required by the General Assembly, Section 2 of this Act shall be abrogated and of no further force and effect.

Approved May 18, 2001.
