

(c) If a police officer gives a visual or audible signal to stop and the police officer is in uniform, prominently displaying the police officer's badge or other insignia of office, a driver may not attempt to elude the police officer by fleeing on foot.

(d) If a police officer gives a visual or audible signal to stop and the police officer is in uniform, prominently displaying the police officer's badge or other insignia of office, a driver may not attempt to elude the police officer by any other means.

(e) If a police officer gives a visual or audible signal to stop and the police officer, whether or not in uniform, is in a vehicle appropriately marked as an official police vehicle, a driver of a vehicle may not attempt to elude the police officer by willfully failing to stop the driver's vehicle.

(f) If a police officer gives a visual or audible signal to stop and the police officer, whether or not in uniform, is in a vehicle appropriately marked as an official police vehicle, a driver of a vehicle may not attempt to elude the police officer by fleeing on foot.

(g) If a police officer gives a visual or audible signal to stop and the police officer, whether or not in uniform, is in a vehicle appropriately marked as an official police vehicle, a driver of a vehicle may not attempt to elude the police officer by any other means.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect October 1, 2001.

May 17, 2001

The Honorable Thomas V. Mike Miller, Jr.
President of the Senate
State House
Annapolis MD 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 256 – Crimes – Controlled Dangerous Substance Analogues.

This bill provides that "controlled dangerous substance analogues" be treated as Schedule I controlled dangerous substances, to the extent that the analogues are intended for human consumption. Such analogues are defined, in part, as substances that have a chemical structure substantially similar to the chemical structure of a controlled dangerous substance classified in Schedule I or Schedule II.

House Bill 37, which was passed by the General Assembly and signed by me, accomplishes the same purpose. Therefore, it is not necessary for me to sign Senate Bill 256.

Sincerely,
