2-103.

(a) With the advice and consent of the Senate, the Governor shall [designate] APPOINT a Chairman [from among the commissioners].

DRAFTER'S NOTE:

Error: Incorrect word usage and extraneous language in § 2-103(a) of the Public Utility Companies Article.

Occurred: Ch. 8, Acts of 1998, as a result of the revision of references to the Chairman of the Public Service Commission derived from former Article 78, §§ 5 and 6. The correction reflects the long-standing practice of the Commission, consistent with the former law, that the Chairman is appointed by the Governor and confirmed by the Senate as Chairman, may be appointed either from other existing commissioners or from outside the Commission, and serves an independent term as Chairman without regard to any prior term as a commissioner. The correction is made at the suggestion of the Office of the Attorney General.
