5. In the event that a licensee, during the initial license year, fails to maintain the sales ratio requirement provided in this paragraph for a period of three consecutive months or after the initial license year for each license or calendar year, the Board, in its discretion, may revoke the license. The Board may require any licensee to provide supporting data as it, in its discretion, deems necessary, in order to establish that the requirements of this section relating to the ratio of gross receipts from the sale of food to those from the sale of alcoholic beverages have been met.

(iii) A license issued under this subsection authorizes its holder to keep for sale and sell alcoholic beverages for consumption on the premises only, and alcoholic beverages may not be served to patrons or consumed at any bar, counter without seats, or other room but in the dining area. However, the seats in the cocktail area may not exceed 25 percent of the seats normally available for the general public in the dining area, including the cocktail area portion, but excluding special banquet and private party facilities.

(iv) Signs visible from the exterior of the building, advertising the sale of alcoholic beverages, are not permitted in connection with any restaurant or hotel holding a license issued under the provisions of this section except for the display of the menu then in use by the licensee.

(v) 1. The annual license fee is ~~[\$2,000]~~ \$2,500.

2. For the third license that is not restricted by location and is obtained by a licensee under § 9-102.1 of this article, the annual fee is \$5,000.

(3) (i) There is a special Class B license known as Class B-BWL (H-M) which shall be issued only for hotels and motels that meet the minimum requirements set forth in subsection (a)(3) of this section. All of the privileges and restrictions provided for in paragraph (2) of this subsection are applicable to this special Class B license except that the gross receipts from the sale of alcoholic beverages may not exceed the gross receipts from the sale of food, and registered guests may be served in their rooms. In any instance where there is more than one licensed establishment within the hotel or motel, the foregoing sales ratio shall be applicable only to one license and that shall be the one that provides the food and beverage service to the conventions, banquets and other groups that utilize facilities within the hotel or motel.

(ii) The annual license fee is ~~[\$2,000]~~ \$2,500.
