REVISOR'S NOTE TO SECTION:

Former Art. 41, § 4-201(a)(3), which defined the term "county" to mean any county that has or will have a law enforcement unit within its jurisdiction, is deleted as unnecessary. The term "county" as used in this subtitle is used in the general sense in which it is defined in § 1-101 of this article.

Former Art. 41, § 4-201(a)(5), which defined the term "municipality" to mean any incorporated city of any class that has or will have a law enforcement unit within its jurisdiction, is deleted as unnecessary. The term "municipality" was used throughout the former law in the general sense in which the term "municipal corporation" is generally used in revised articles of the Code. Therefore, the term "municipal corporation" is substituted for the former term "municipality" throughout this section and this subtitle to conform to Md. Constitution, Art. XI-E.
