MARYLAND TRANSIT ADMINISTRATION

Provided that the Maryland Transit Administration (MTA) shall provide a report to the budget committees by October 15, 2003, that (1) identifies the steps that MTA is taking to fill the high-level security management and security-related positions that are currently vacant in the Administration, including Director of Safety and Risk Management, Chief Safety Officer, System Safety Officer, Document Control Officer, Metro Safety Officer, and Manager of Bus Operations, and thus to ensure that MTA has an experienced team in place that can guide the development and implementation of a comprehensive safety improvement program; (2) identifies the steps MTA is taking to introduce systems and procedures recommended in the "Final Report on Wheel Failures on Buses Operated by the Maryland Transit Administration" (e.g., introducing configuration management systems and comprehensive mechanic training programs, adopting a computer-based safety incident analysis system, conducting regular audits to ensure compliance with the provisions of the System Safety Program Plan, and developing a hazard analysis program etc.); and (3) identifies the costs
