REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 88B, § 83(a), (b), (c), (e), and (d)(1), (2), and (3).

In subsection (b) of this section, the phrase "failing to stop for" school vehicles is substituted for the former word "passing" school vehicles for accuracy and consistency within this subtitle. *See* § 4-203(b) and (c) of this subtitle.

In subsections (c)(2) and (d)(2) of this section, the reference to the "Secretary" is substituted for the former reference to the "Department" for consistency within this section.

In subsections (d)(2) and (f) of this section, the former reference to the "State" Treasurer is deleted as implicit. Similarly, in subsection (d)(2) of this section, the former reference to the "State" Comptroller is deleted.

In subsection (d)(2) of this section, the word "separately" is added to modify "hold" to clarify that the Treasurer shall keep the Fund separate from other State funds. This language is standard language used for special funds. *See, e.g.*, CS § 10-503(a)(3).

In subsection (e)(2) of this section, the general reference to "any other source" is substituted for the former reference to "any governmental or private source" for consistency with similar provisions throughout this article.
