In subsection (b)(1) of this section, the reference to delivery of services "in the State" is substituted for the former reference to delivery of services "to the citizens of this State" for clarity and brevity.

In subsection (b)(2) of this section, the reference to "counties" is substituted for the former reference to "local governments" for consistency throughout this subtitle. See Revisor's Note to § 8-103 of this subtitle.

In subsections (b)(3) and (f)(1)(iii) of this section, the former reference to "apparatus" is deleted as included in the reference to "equipment". Consequently, in subsection (f)(1)(i) and (ii) and (2)(iv) of this section, the reference to "equipment" is substituted for the former reference to "apparatus".

In subsection (c)(1) of this section, the former reference to administering the Fund "in accordance with this subtitle and other applicable law" is deleted as implicit.

In subsection (c)(2) of this section, the reference to the Secretary adopting procedures to "carry out" this subtitle is substituted for the former reference to procedures for the "implementation" of this subtitle to conform to terminology used in other revised articles.

In subsections (c)(3)(i) and (ii) and the introductory language of (f)(1) and (2) of this section and throughout this subtitle, the word "money" is substituted for the former word "funds" for clarity and consistency with terminology used throughout this article.
