

[(2)](4) (i) In this paragraph:

1. "manufacturing corporation" means a domestic or foreign corporation which is primarily engaged in activities that, in accordance with the North American Industrial Classification System (NAICS), United States Manual, United States Office of Management and Budget, 1997 Edition, would be included in Sector 11, 31, 32, or 33; and

2. "manufacturing corporation" does not include a refiner, as defined in § 10-101 of the Business Regulation Article.

(ii) If a manufacturing corporation carries on its trade or business in and out of the State and the trade or business is a unitary business, the part of the corporation's Maryland modified income THAT IS OPERATIONAL INCOME derived from or reasonably attributable to trade or business carried on in the State shall be determined using a single sales factor apportionment formula, by multiplying its Maryland modified income by 100% of the sales factor.

(iii) In filing its tax return for each year, a manufacturing corporation shall certify that the NAICS Code reported on its Maryland return is consistent with that reported to other government agencies.

(iv) If the Comptroller determines that a corporation has submitted information that incorrectly classifies the corporation as a manufacturing corporation under subparagraph (i) of this paragraph, the Comptroller shall reclassify the corporation in an appropriate manner.

(v) The Comptroller, in consultation with the Department of Business and Economic Development, shall adopt regulations necessary to carry out the provisions of this subsection.

(vi) As part of its tax return for a taxable year beginning after December 31, 2000 but before January 1, 2003, each manufacturing corporation that has more than 25 employees and apportions its income under this paragraph shall submit a report, in the form that the Comptroller requires by regulation, that describes for each taxable year as of the last day of the taxable year the following:

1. the difference in tax owed as a result of using single sales factor apportionment method under this paragraph as compared to the tax owed using the 3-factor double weighted sales factor apportionment method in effect for the last taxable year beginning on or before December 31, 2000;

2. volume of sales in the State and worldwide;

3. taxable income in the State and worldwide; and

4. book value of plant, land, and equipment in the State and worldwide.

(vii) On or before October 1, 2003 and October 1, 2004, and notwithstanding any confidentiality requirements, the Comptroller shall prepare and submit to the Governor and, subject to § 2-1246 of the State Government Article, to
