

COUNTY LOCAL LAWS

Bill No. 90-02

AN ACT concerning

Land Preservation - Imminently Threatened Farm Preservation Program

FOR the purpose of providing that county agricultural easements shall be permanent; altering the valuation methods for easement purchases; requiring the county to establish certain application deadlines; altering certain conditions relating to offers for purchases of easements; altering certain conditions with regard to use of certain land on which the county has purchased an easement; repealing certain conditions under which land under an easement may be purchased or condemned; clarifying the authority of the department to adopt regulations; establishing an Imminently Threatened Farm Preservation Program; establishing criteria for participation in the program; providing for application to participate in the program; providing for review and decision on applications to participate in the program; requiring a resolution under the program and certain conditions attached to the purchase contract; defining certain terms; making certain stylistic changes; providing for the application of this Act; and generally relating to land preservation in the county.

BY repealing and reenacting, with amendments

Sections 14-450, 14-451(a) and (c)(3), 14-456, 14-459, 14-460(a) through (g), 14-461(a) and (b)(1), (2), (3), (4), and (5) and 14-462

Title 14. Environmental Protection and Resource Management

Article XI. Land Preservation

Baltimore County Code, 1988

BY adding

Sections 14-454(d), 14-461(g), and 14-467 through 14-471

Title 14. Environmental Protection and Resource Management

Article XI. Land Preservation

Baltimore County Code, 1988

Bill No. 94-02

AN ACT concerning

Baltimore County Code, 1998 - Twenty First Enactment

FOR the purpose of enacting the Baltimore County Code, 1998 and adding one article to the Baltimore County Code, to be designated and known as "Article 33. Environmental Protection and Resource Management", and Article 15. Title 13. "Stormwater Management Fund" to revise, restate, and recodify the laws of the County relating and pertaining to the Chesapeake Bay Critical Area, Protection of water quality, streams, wetlands and floodplains, stormwater management, Excavations, grading, sediment control, and forest management, Forest conservation, and Storage of petroleum products and hazardous substances; altering or clarifying certain penalties; defining certain terms; providing for the
