REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 88B, § 30A(c).

In subsection (a)(1) of this section, the former reference to "not more than" 19 members is deleted as surplusage.

In subsection (a)(2)(ii) and (v) of this section, the reference to "units" is substituted for the former reference to "agencies". See General Revisor's Note to article.

In subsection (a)(2)(ii)4 of this section, the reference to the "Department of the Environment" is added for clarity. See EN § 15-201.

In subsection (a)(2)(iv)1 of this section, the reference to vibration "technology" is substituted for the former reference to a vibration "technologist" for grammatical consistency. Similarly, in subsection (a)(2)(iv)2 of this section, the reference to "pyrotechnics" is substituted for the former reference to "[p]yrotechnic specialists".

In subsection (a)(2)(v) of this section, the former reference to "the Governor's discretion" is deleted as redundant in light of the power of the Governor to choose ex officio members from administrative units.

In subsection (b)(2) of this section, the reference to "October 1, 2003" is substituted for the former obsolete reference to "July 1, 1984" to reflect the effective date of this revision. This substitution is not intended to alter the term of any member of the Board. See § 16 of Ch. 5, Acts of 2003.
