12-807. CERTIFICATE REQUIRED.

AN ELEVATOR UNIT MAY NOT BE OPERATED IN A BUILDING, STRUCTURE, OR PLACE OF EMPLOYMENT IN THE STATE UNLESS A CERTIFICATE IS ISSUED BY THE COMMISSIONER.

REVISOR'S NOTE: This section is new language derived without substantive change from the first clause of former Art. 89, § 49B(a).

Former Art. 89, § 49B(b)(6), which defined "place of employment" as any place where employees are suffered or permitted to work, is deleted as unnecessary because it adds nothing to the common meaning of the term.

Former Art. 89, § 49B(n), which authorized the Commissioner to accept certificates of inspection from a political subdivision or municipal corporation, is repealed as obsolete. At present no political subdivision or municipal corporation issues these certificates of inspection.
