REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 89, § 49C(j).

In subsection (b)(2) of this section, the reference to a "general" partner is added for clarity. The Public Safety Article Review Committee notes this addition for consideration by the General Assembly. The Committee also notes that limited partnerships are not covered by this provision.

In subsection (b)(4) of this section, the reference to the "resident agent" is substituted for the former ambiguous reference to an "agent located locally who shall be authorized to accept service of process" for clarity.

In subsection (b)(6) and (7) of this section, the reference to "evidence satisfactory to the Board" is substituted for the former ambiguous references to "satisfactory evidence" to identify the entity that must determine whether evidence is satisfactory.

As to the authority of the Board to set fees, *see* § 12-824 of this subtitle.
