#### GENERAL REVISOR'S NOTE TO SUBTITLE:

Throughout this subtitle, references to the three digits "9-1-1" are substituted for the former references to "911" for clarity at the request of the Emergency Number Systems Board. Correspondingly, references to the "9-1-1" system, "9-1-1" accessible service, the "9-1-1" fee, "9-1-1" service carriers, and the "9-1-1" Trust Fund are used throughout this subtitle. The Public Safety Article Review Committee notes these substitutions for consideration by the General Assembly.

Former Art. 41, § 18-104, which required submission to the Board of a plan for the enhancement of the 911 system for a county or a multicounty area, is transferred to the Session Laws. The dates for submitting the plans have passed and the provision is obsolete. The provision is decodified and retained in the law, however, for historical purposes.
