In subsection (a)(3) of this section, the former phrase "as the case may be" is deleted as surplusage.

In the introductory language of subsection (b) of this section, the word "shall" is substituted for the former phrase "is hereby charged, directed and empowered to" for brevity and clarity.

In subsection (b)(1) of this section, the former reference to the "rules" of the Board is deleted as included in the reference to "regulations". See General Revisor's Note to article.
