REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 48, § 177(a) and (b).

In subsection (a)(1) of this section, the reference to an "authorized insurer" is substituted for the former reference to "each company" employing a special inspector for accuracy. See § 12-907(a) of this subtitle. Consequently, in subsection (a)(3) and (4) of this section, the references to the "authorized insurer" are added.

Also in subsection (a)(1) of this section, the former phrase "[e]xcept for a company operating pressure vessels covered by an owner-user inspection service meeting the requirements of this subtitle" is deleted as unnecessary in light of the revision of this subsection, which only applies to authorized insurers.

In subsection (b)(1) and (3) of this section, the reference to a "person" that operates pressure vessels is substituted for the former reference to a "company" for consistency with § 12-907(a) of this subtitle.

In subsection (b)(1) of this section, the reference to an "owner-user" inspection service is substituted for the former reference to an "owner or user" inspection service for clarity and consistency throughout this subtitle.

In subsection (b)(3)(i)1 of this section, the reference to a "professional" engineer is added for clarity.
