

the Adjutant General must fulfill these requirements when appointed. Under former law, this requirement explicitly applied to subsection (b)(3) of this section.

In subsection (c) of this section, the former clause “[n]otwithstanding any other provision of law,” is deleted because no other provision of law is in conflict.

Also in subsection (c) of this section, the term “Executive Council” is substituted for the former obsolete term “cabinet” for consistency with the State Government Article. *See* SG Title 8, Subtitle 1.

In subsection (d) of this section, the former reference to being “called” into active military service of the United States is deleted as included in the reference to being “ordered” into active service.

Also in subsection (d) of this section, the former reference to being ordered into service “under the Constitution and laws of the United States” is deleted as implicit in the reference to being ordered into service “of the United States”.

Also in subsection (d) of this section, the reference to the duties of the “Adjutant General” is substituted for the former reference to the duties of the “office” for clarity.

Also in subsection (d) of this section, the reference to “the period the Adjutant General is on active military service” is substituted for the former reference to “such period” for clarity.
