REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 65, §§ 17 and 15(b), (c), and (d).

In subsection (a)(1)(i) of this section, the reference to the "United States Department of Defense" is added for clarity.

Also in subsection (a)(1)(i) of this section, the former reference to "organizations" is deleted as duplicative of the reference to "units".

In subsection (a)(2) of this section, the reference to enlisted "individuals" is substituted for the former reference to enlisted "men". See General Revisor's Note to title.

In subsection (c) of this section, the former reference to being "called" into active service is deleted as included in the reference to being "ordered" into active service.

Also in subsection (c) of this section, the term "may" is substituted for the former reference to the Governor "hav[ing] the power ... in his judgment" for brevity.

The Public Safety Article Review Committee notes, for consideration by the General Assembly, that subsection (a)(1) of this section, which describes
