

(c) (1) The Administration may issue a restricted license to an applicant who has simultaneously:

(i) A visual acuity of at least 20/40 in one or both eyes; and

(ii) A continuous field of vision of at least 110 degrees and with at least 35 degrees lateral to the midline of each side.

(2) To qualify for a restricted license under this subsection, the Administration may require an applicant to submit a report of examination by a licensed ophthalmologist or optometrist for evaluation by the Administration or its Medical Advisory Board.

(3) A license issued under this subsection:

(i) Shall be endorsed "outside mirrors each side"; and

(ii) May be subject to additional restrictions imposed by the Administration, based on recommendations of the applicant's ophthalmologist or optometrist, or any other evaluation that the Administration determines appropriate.

(d) (1) The Administration may only issue a restricted noncommercial driver's license to an applicant who does not otherwise meet the vision standards under this section but who has simultaneously:

(i) A visual acuity of at least 20/70 in one or both eyes; and

(ii) A continuous field of vision of at least 110 degrees and with at least 35 degrees lateral to the midline of each side.

(2) To qualify for a restricted license under this subsection, the Administration may require an applicant to submit a report of examination by a licensed ophthalmologist or optometrist for evaluation by the Administration or its Medical Advisory Board.

(3) A license issued under this subsection:

(i) Shall be endorsed "outside mirrors each side"; and

(ii) May be subject to additional restrictions imposed by the Administration, based on recommendations of the applicant's ophthalmologist or optometrist, or any other evaluation that the Administration determines appropriate.

(e) The Administration may not issue any driver's license if the applicant does not meet the vision standards under this subtitle.

(f) An individual issued a restricted driver's license under this section who has had vision correction surgery resulting in the individual's meeting the requirements for an unrestricted license may:

(1) Apply to the Administration for a corrected license without the vision restriction; or
