REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 27, § 251B(c), (d), (g), and (h).

Subsections (b), (d), and (e) of this section are revised in the active voice to clarify that it is the county commissioners who are prohibited from issuing multiple gaming device permits under certain circumstances.

In subsection (b)(1) and (2) of this section, the references to multiple gaming device permits "for fundraisers" are added for clarity.

In subsection (c) of this section, the reference to a fundraiser lasting "not more than" 6 hours is added for clarity and accuracy.

Also in subsection (c) of this section, the reference to a "fundraiser" is substituted for the former reference to an "event" for consistency with the terminology used throughout this part.

Also in subsection (c) of this section, the former reference to a multiple gaming device permit issued "for a fund-raiser at which 2 or more gaming devices will be used" is deleted in light of the use of the defined term "multiple gaming device permit".

In subsection (d) of this section, the reference to use "on" real property is substituted for the former reference to use "within the boundaries of" real property for brevity.

Also in subsection (d) of this section, the former reference to use in "the corporate limits of" Ocean City is deleted as surplusage.

In subsection (e) of this section, the prohibition against "issu[ing]" a multiple gaming device permit is substituted for the former prohibition against "approv[ing]" a multiple gaming device permit for consistency with the terminology used throughout this part.
