REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 27, § 643B(b) through (g) and the first sentence of (a).

In subsection (a)(5) of this section, the phrase "as previously proscribed under [§] 384 ... of this article", which formerly modified "mayhem", is deleted as unnecessary and inaccurate because former Art. 27, § 384 did not proscribe mayhem but merely stated the penalties for it. Similarly, in subsection (a)(16) through (21) of this section, the phrase "as these crimes were previously proscribed under former § 12 of this article", which formerly modified "assault with intent to murder, assault with intent to rape, assault with intent to rob, assault with intent to commit a sexual offense in the first degree, and assault with intent to commit a sexual offense in the second degree", is deleted as unnecessary and inaccurate because Art. 27, § 12 did not proscribe those crimes but merely stated the penalties for them.

In subsection (a)(6) of this section, the phrase "as previously proscribed under Article 27, §§ 385 and 386 of the Code", which modifies "maiming", is retained because these former provisions included specific elements of the crimes of maiming.

In subsections (d)(1)(i) and (e)(1)(i) of this section, the references to a "crime" are substituted for the former references to an "offense" for consistency within this article. See General Revisor's Note to article.

In subsection (d)(3) of this section, the reference to a person "sentenced
