**CHAPTER 222**

**(House Bill 466)**

AN ACT concerning

**Dental Facilities - Radiation Monitoring and Regulation - Fees**

FOR the purpose of altering for certain years the limits on fees established by regulation by the Secretary of the Environment to offset the costs of monitoring and regulating sources of radiation within dental offices and dental facilities; requiring the Secretary to reduce fees proportionately to reflect the balance of any unspent or unencumbered fees collected in the previous fiscal year; and requiring that any unspent and unencumbered fees revert to the General Fund; providing for the effective date of this Act; and providing for the termination of this Act and generally relating to the establishment of fees for the monitoring and regulation of sources of radiation in dental offices and dental facilities.
