

and comment on the plan. The plan shall include the following:

- (1) an estimate of the total cost of installing an all air system;
- (2) a time line for installing the HVAC system;
- (3) an evaluation of the level of risk of patient contamination with the new HVAC system;
- (4) an assessment of the work that may proceed in fiscal 2002 given that full funding for the HVAC system has not been appropriated; and
- (5) an assessment of alternative plans to installing a new HVAC system, including constructing a new building or an addition to the existing building. The assessment should include cost estimates, an evaluation of the need for maintaining or increasing capacity, and an evaluation of the structural and programmatic issues that could be addressed with a new building or addition

SECTION 3. AND BE IT FURTHER ENACTED, That the General Assembly declares that it is the public policy of this State to manage State general obligation bond debt in a manner that will maintain Maryland's AAA bond rating. The General Assembly further declares that legislative oversight, control, and review of all forms of State obligations is essential to maintenance of the State's existing bond rating and protection of the fiscal integrity of the State.

SECTION 4. AND BE IT FURTHER ENACTED, That, before work may commence pursuant to any supplement to any appropriation contained in this Act, satisfactory evidence must be given to the Board of Public Works that the project can be completed with the aggregate of the funds in this Act and previously appropriated for the stated purpose.
