*It is the intent of the General Assembly to provide \$15,000,000 in funding in fiscal 2004 for the Community Based Regional Initiatives (CBRIs) that were requested in fiscal 2003, provided that sufficient funds are available in the capital budget next year. These funds are to be in addition to the funds for legislative initiatives in fiscal 2004, which indicates that the CBRIs initially funded by the House of Delegates in fiscal 2003 will be given special consideration.*
