

In item (2)(xii)1 of this subsection, a comma is added between "merchandising" and "production" for clarity.

In item (2)(xii)2 of this subsection, the phrase "designed process," is retained, although substituting the phrase "design, process," may be more accurate. The Criminal Law Article Review Committee calls this retention to the attention of the General Assembly.

In item (2)(xiv) of this subsection, the former reference to "other tangible or intangible items of value" is deleted as included in the comprehensive reference to "anything of value" in item (1) of this subsection.

REVISOR'S NOTE: This subsection is new language derived without substantive change from former Art. 27, § 486(b) and (a)(2).

In item (2) of this subsection, the substance of the defined term "deprive" is substituted for the former reference to "depriv[ing]" for clarity.
