

(3) Provide in a form prescribed by the Board, documentation of having completed 2 years as a licensee with supervised experience of at least 3,000 hours after receiving the master's degree with a minimum of 144 hours of periodic face-to-face supervision in the practice of social work under the terms and conditions that the Board determines by regulation.

(e) To obtain a certified social worker-clinical license, an applicant shall:

(1) Meet the requirements of subsection (a) of this section;

(2) Have received a master's degree in social work and documentation of clinical course work from a program accredited by the Council on Social Work Education; and

(3) Provide in a form prescribed by the Board, documentation of having completed 2 years as a licensee with supervised experience of at least 3,000 hours after receiving the master's degree with a minimum of 144 hours of periodic face-to-face supervision in the assessment, formulation of a diagnostic impression, and treatment of mental disorders and other conditions and the provision of psychotherapy under the terms and conditions that the Board determines by regulation.

(f) If the supervision required for a certified social worker license under subsection (d)(3) of this section was not available to the applicant while the applicant was obtaining the required 2 years of experience, the Board may waive the supervision requirement on the request of the applicant.

(g) If an applicant who is licensed or registered to practice social work in another state has obtained 2 years of supervised experience under circumstances that are otherwise equivalent to those required under subsection (d) of this section, the Board may waive the supervision requirement.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect October 1, 2002.

Approved May 6, 2002.

CHAPTER 328

(Senate Bill 617)

AN ACT concerning

Maryland Youth Camps - Days of Operation and Regulations

FOR the purpose of altering the definitions of certain types of youth camps with respect to the number of days operated and whether the camps are residential; requiring that certain regulations for youth camps include standards for the supervision of campers during routine activities; prohibiting the Secretary of Health and Mental Hygiene from adopting regulations that set ratios of camper to medical staff except under certain circumstances; defining certain terms; and
