

the Governor request a fiscal 2003 deficiency appropriation for the Family Health Administration should fiscal 2003 funds not be sufficient to meet program costs for the Women, Infants, and Children Supplemental Nutrition Program.

General Fund Appropriation, provided that \$2,000,000 of this appropriation for a grant to Dimensions Health Care System, solely for use by Prince George's Hospital Center, is contingent upon enactment of HB 1452 or SB 899 establishing the Prince George's Hospital System Improvement Task Force and Prince George's County government providing a matching fiscal 2003 grant of \$3,000,000 to Prince George's Hospital Center.

Further provided that \$1,000,000 of the \$2,000,000 appropriated for Dimensions Health Care System may not be expended until the Department of Health and Mental Hygiene notifies the budget committees in writing that the Prince George's Hospital System Improvement Task Force has been fully constituted and has begun to deliberate. The budget committees shall have 45 days to review and comment before funds may be expended.

Further provided that the remaining \$1,000,000 of the \$2,000,000 appropriated for Dimensions Health Care System may not be expended until the Prince George's Hospital System Improvement Task Force submits a report to the budget committees addressing the environmental, strategic, and organizational factors, including the condition of current management, identified by the University of Maryland Medical System in its recent review of Dimensions Health
