

review" is substituted for the former reference to an "appeal" for consistency with similar provisions throughout the revised articles of the Code.

Also in subsection (f)(4) of this section, the reference to a "final decision" is substituted for the former reference to a "designation" to conform to the terminology of this section.

In subsection (g) of this section, the former reference to the requirement that the Department update and republish a schedule on a "semiannual basis for two years from July 1, 1970" is deleted as obsolete.

The Criminal Law Article Review Committee notes, for the consideration of the General Assembly, that the schedules of controlled dangerous substances updated and republished each year under subsection (g) of this section may differ from the lists set forth in this title, because the requirement to update and republish does not require the Department to suggest corrective legislation whenever a substance is added to a schedule. Thus a court or attorney who relies only on this title to determine whether a particular substance is a controlled dangerous substance may not realize that the substance has been added to a schedule, even though the Department has included the substance in its annually republished lists.

Defined terms: "Controlled dangerous substance" § 5-101

"Department" § 5-101

5-203. REGULATIONS.

THE DEPARTMENT MAY ADOPT REGULATIONS TO IMPLEMENT THIS TITLE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 27, § 302(h) and, as it related to the adoption of regulations, § 280.

The former reference to "rules" is deleted in light of the reference to "regulations". See General Revisor's Note to article.

The former reference to regulations "as are necessary" is deleted as implicit in the authority to adopt regulations "to implement" this title.

Defined term: "Department" § 5-101

5-204. FEES.

THE DEPARTMENT MAY CHARGE REASONABLE FEES RELATING TO THE REGISTRATION AND CONTROL OF THE MANUFACTURE, DISTRIBUTION, AND DISPENSING OF CONTROLLED DANGEROUS SUBSTANCES IN THE STATE.

REVISOR'S NOTE: This section formerly was Art. 27, § 280, as it related to fees.

The only changes are in style.
