

Also in subsection (c) of this section, the former reference to "acts" is deleted as unnecessary in light of Art. 1, § 8 which provides that the singular includes the plural.

The Criminal Law Article Review Committee notes, for the consideration of the General Assembly, that the name of the crime stated in subsection (b) of this section, "burglary with explosives", uses the obsolete term "explosives", although the substance of the crime uses the more inclusive term "destructive device" defined in § 4-501 of this article. "Destructive device" includes explosive material, incendiary material, and toxic material.
