Bill No. 2001-001

**STORMWATER MANAGEMENT
Chapter 158**

FOR the purpose of protecting, maintaining and enhancing the public health, safety, and general welfare by establishing minimum requirements and procedures to control the adverse impacts associated with increased stormwater runoff. Proper management of stormwater runoff will minimize damage to public and private property, reduce the effects of development on land, control stream channel erosion, reduce local flooding, and maintain after development as nearly as possible the pre-development runoff characteristics.

BY repealing the Stormwater Management Chapter 158 adopted on June 12, 1984 as Ordinance 84-005, and reenacting Chapter 158, Stormwater Management, with new language.

Bill No. 2001-002

**CAROLINE COUNTY BUILDING CODE
Chapter 88**

FOR the purpose of establishing building regulations that will promote and protect, in accordance with present and future needs, the safety, health, and general welfare of the citizens of Caroline County; and providing reasonable protection to the public against hazards to life, health, and property.

BY repealing Chapter 88, Building Construction, Code of Public Local Laws of Caroline County.

BY adding Chapter 88, Caroline County, Building Code, Code of Public Local Laws of Caroline County.
