REVISOR'S NOTE: Subsection (a) of this section is new language added to avoid repetition throughout this section of the former references in Art. 27, § 56 to tickets, coupons, tokens, coins, discs, or slugs.

Subsections (b) and (c) of this section are new language derived without substantive change from former Art. 27, § 56.

In subsections (a) and (b) of this section, the word "issue" is substituted for the former references to "utter[ing]" for consistency within this article.

In subsection (a) of this section, the former reference to a "fare" is deleted as included in the comprehensive reference to a "fee".

In subsection (a)(1) of this section, the reference to an "individual" is substituted for the former reference to a "person" because only an individual and not the other kinds of entities included in the definition of "person" can enter, leave, ride upon, or pass through or over places and things.

Also in subsection (a)(1) of this section, the former reference to a person "or persons" is deleted in light of Art. 1, § 8, which provides that the singular generally includes the plural.

In subsection (a)(2) of this section, the reference to a token intended to be "given to" a collector is substituted for the former reference to a token
