

REVISOR'S NOTE: Subsection (a) of this section is new language added to avoid repetition of the phrases "drug, medicine, or a medicinal or chemical preparation" and "make, mix, manufacture, or compound".

Subsections (b) and (c) of this section are new language derived without substantive change from former Art. 27, § 230.

In subsection (b) of this section, the reference to "in any manner" is substituted for the former reference to "in part or in whole" for consistency within this section.

Also in subsection (b) of this section, the former redundant references to "grain" and "wood" alcohol are deleted as implicit in the references to "ethyl" and "methyl" alcohol, respectively.

In subsection (b)(2) of this section, the references to the "preparer" of a drug are substituted for the former references to the "person ... who ... make[s], mix[es], manufacture[s], [or] compound[s]" a drug for clarity.

In subsection (c) of this section, the former reference to "in the discretion of the court" is deleted as implicit in the establishment of maximum and minimum penalties.

The Criminal Law Article Review Committee notes, for the consideration of the General Assembly, that subsection (b) of this section does not prohibit the use of the poison methyl alcohol in a drug unless ethyl alcohol is usually used to prepare the drug.
