

CORRUPTLY FALSE, IN VIOLATION OF (SECTION VIOLATED) AGAINST THE PEACE, GOVERNMENT, AND DIGNITY OF THE STATE.”

REVISOR’S NOTE: This section is new language derived without substantive change from former Art. 27, § 436.

In this section, the phrase “is sufficient if it substantially states” is substituted for the former phrase “shall be sufficient to use a formula substantially to the following effect” for clarity.

Also in this section, the phrase “in violation of (section violated)” is substituted for the former phrase “contrary to the form of the Act of Assembly in such case made and provided” for clarity.

The Criminal Law Article Review Committee notes, for the consideration of the General Assembly, that the charging document in this section may not be sufficient to charge perjury by contradictory statements under § 9-101(c) of this subtitle. That provision requires merely that for charging and for conviction, there be two contradictory statements made under oath or affirmation, without specifying which one is false.
