

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 27, § 255C(c)(1), (2)(i), (ii), and (iii), and (3) through (9).

In subsection (a)(2)(iii) of this section, the reference to the "chairperson" is substituted for the former reference to the "[c]hairman" because SG § 2-1238 requires the use of words that are neutral as to gender to the extent practicable.

In subsection (a)(2)(v) of this section, the former requirement that the representative of the alcoholic beverage, restaurant, and tavern industries be "from Washington County" is deleted in light of subsection (b) of this section, which requires that each member of the gaming commission be a county resident.

In subsection (c)(2) of this section, the former phrase "and a new member shall be appointed to complete the term" is deleted in light of subsection (d)(3) of this section, which implies that a vacancy requires the appointment of a replacement member for the duration of the term.

Also in subsection (c)(2) of this section, the former phrase "during the member's term" is deleted as surplusage. In subsection (d)(2) of this section, the reference to "October 1, 2002" is substituted for the former reference to "October 1, 2000" and the former obsolete reference to "July 1, 1995". This substitution reflects the date that this revision becomes effective and is not intended to alter the term of any member of the gaming commission. See Chapter \_\_\_, § \_\_\_, Acts of 2002.

In subsection (e) of this section, the limitation that a member who completes "two full terms ... may not be reappointed during the 5 years after the end of the second term" is substituted for the former phrase "within 5 years after completion of two 2-year terms" for clarity.

Former Art. 27, § 255C(c)(2)(iv), which prohibited select members of the gaming commission from serving on the board of directors or as officers of an organization that applies for funds from the gaming commission, is deleted in light of subsection (f) of this section, which provides for the removal of members who hold certain positions in organizations that apply to the gaming commission for funds.
