Although subsection (c)(1) of this section authorizes the county commissioners to require an "applicant" or an "individual involved in the operation of a tip jar" to be fingerprinted, by regulation, the county commissioners have addressed fingerprinting requirements applicable to various entities. For example, all officers of a corporation may be required to be fingerprinted. Fingerprinting is to be done at the direction or under the supervision of the agency. (Regulation 1-104(a)(5)).

In subsection (c)(2) of this section, the phrase, "in accordance with subsection (d) of this section", is substituted for the former phrase "from the Criminal Justice Information System Central Repository of the Department of Public Safety and Correctional Services" for brevity.

In subsection (d)(2)(i) of this section, the reference to an "applicant's or individual's ... fingerprints" is substituted for the former reference to an "employee's ... fingerprints" for accuracy and consistency with subsection (d)(1) of this section.

In subsection (d) of this section, the former phrase "for access to Maryland criminal history records" is deleted as surplusage.
